[Verse]

We hittin' Deutschland
Jammin' with the pros ... (oo-yeah!)
Researchin' data
Where the music flows
Bass and drums gettin' funky
Don't you know? ... (uh-huh)
Acoustic guitar strummin'
Let that rhythm go!

[Intro A] (2x)

[Verse 2]

Piano keys dancin' with the sax so sweet ... (oh-oh!)
Vocoder singin'
Movin' with the beat
Research nerds groovin' in the German heat
From cities clear to towns
In the street

Harmonic lines like an Irish dream
(come on now!)
Mix of cultures in a fluid stream
MIR researchers form the team
Got that funky fever
Or so it seems!
Got the Dublin soul with a Teutonic twist
Information retrieval
Can't resist
